

# PIEI - WOT - KENYA

## It's Been A Busy Year For The Wainaina's

It was just one year ago that Joseph, Jane and the children returned to Kenya. With the prompting of the Holy Spirit and the response of brothers and sisters in the Lord, so much has happened in such a short time.

It has been such a blessing for them to be welcomed home to Maai Mahiu with

open arms from so many friends and new people in the community.

The Word of Truth Center opened and classes began in December 2015. They are looking forward to holding their first graduation ceremony on December 10th, 2016.

Joseph was blessed with a much needed vehicle to help in the ministry. The family was blessed with a wonderful home in Maai Mahiu to live in. God provided a beautiful building for the WOT Center and much is going on there now. God is good ... all the time!

## A Place Where God Has Blessed

Joseph's obedience to God's call has brought forth many wonderful things to the people of Maai Mahiu and the surrounding community.

Word of Truth is a wonderful place for pastors, serving with no theological or Biblical education or training, to receive the education needed to share the Truth with their churches.

It has also proven to be a great outreach in the community. Many lives are being blessed by the work that is going on at the center. We are hearing from churches that the pastors in training are being such a blessing as they preach Gods Word with a new boldness.

The leadership that is being taught at the center is helping those with leadership positions in their churches. Lives are being touched as they are reaching out to those with needs in their

congregation and in their community.

The work that is going forth from the WOT Center could never be accomplished without your prayers and your help in so many different ways.

Please know how very much you are all appreciated and loved.

*Therefore, my beloved brothers, be steadfast and immovable. Always excel in the work of the Lord, because you know that your labor in the Lord is not in vain. 1 Cor. 15:58*

FIRST NATIONAL  
COMMITTEE

# What happens . . . when our lives become the gospel track?

What happens when our lives become the gospel track? What happens when it's not a pamphlet we give out, but it's our lives that we show?

WOT Mission Trips to Kenya present wonderful opportunities for the church to show it's love for brothers and sisters in the Lord who are needing to see the love of Christ.

Pastor Joseph, National Director of Word of Truth in Kenya has a diversified National Committee which gives our mission teams the opportunities to serve in many ways.

Chairman, Pastor John Njuru is a church planter giving team members the opportunity to help in church planting & construction of new churches.

Pastor Benard, secretary of the committee, is a wonderful

evangelist taking team members on the road to lead the unsaved to Christ.

Pastor Francis, treasurer of the committee has a heart for the orphans and widows in the surrounding area. He organizes opportunities for teams to feed orphans and take Love/Care boxes to widows and needy families.

Mary & Tabitha, both members at large, have service positions in the community. Teams are able to serve at the Health Clinic with Tabitha and teach at the children's school with Mary.

Won't you come and be a part of the Lord's work in Kenya?

## OUR STAFF AT WORD OF TRUTH

We are thankful for each of our staff members. We are happy to have Mary with us who is our computer teacher. She is doing a great job. Those attending her classes tell us what a wonderful teacher she is.

John, who came on staff as the caretaker at the center was asked to share during class time with the pastors. He did a great job and we have decided to bring him onboard as a teacher/trainer. John has a four year certificate from Moffat Bible College. We would like to send him to Africa International University for a bachelors degree in Bible & Theology. John is a great blessing in our ministry. We are so thankful the Lord brought him to serve with us.

Jane, Precious & Sarah are working hard in the kitchen to prepare a hot lunch each day for the week our pastors come for training. These special ladies also prepare chai and a snack twice during the day to give the pastors a break from their training.

Each of these staff members are volunteering their services. We hope to be able to provide a salary for them in the future. John receives a small salary including his room at the center for his services as caretaker.
