JOSEPH & JANE WAINAINA WITH  
CHILDREN GRACE & DAVID

## 2015 - A Busy Year For The Wainaina's

After living in the U.S. for four years Joseph & Jane made the move back to Kenya with their children.

Joseph graduated from Moody Theological Seminary on May 2nd. From May until the day they returned to Kenya Joseph & Jane were busy visiting friends they had made in the U.S.. Joseph spoke at a different church every Sunday until August 2nd when a special Commissioning Service

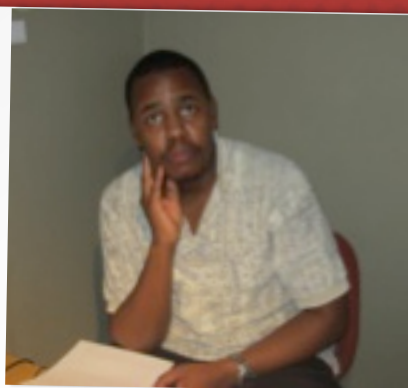

was held at Pleasantview Family Church in preparation of their send off on August 4th.

It was a bitter sweet time saying farewell at the Detroit Airport to loved ones who had become family to the Wainaina's while they were in the states.

How exciting, the next day as the plane landed in Kenya, to know they were home again, ready to begin the work God had called them to.

## THANK YOU!

2015 has been an amazing year. To witness God's plans opening up before us has been exciting for everyone. To know that He has called us to be part of His plan for the Word of Truth Ministry in Kenya is such an honor.

We give thanks to our Lord Jesus Christ for this ministry and for the faithfulness of our donors and supporters. It is because of your partnering with WOT Ministry that we are able to reach out to these many pastors who in turn reach out to their communities, helping with the needs of their people, and especially doing the Kingdom work of leading the unsaved to a personal relationship with their Lord and Savior Jesus Christ.

*"Trust in the Lord, and do good; Dwell in the land, and feed on His faithfulness. Delight yourself also in the Lord, And HE shall give you the desires of your heart. Commit your way to the Lord, Trust also in HIM, And HE shall bring it to pass. HE shall bring forth your righteousness as the light, And your justice as the noonday. Rest in the Lord, and wait patiently for HIM" Psalm 37:3-7*

# Needs For 2016

Sponsoring a Pastor is a wonderful opportunity for those desiring a short term commitment. Sponsor a pastor as he goes through the one year training at Word of Truth Christian Resource & Training Center in Maai Mahiu. Make a recommended one time donation of \$360 or \$30 per month for one year. Any amount you choose to give is greatly appreciated.

### WOT CENTER FURNISHINGS

God has blessed us with the building and we are so thankful. Now we are needing to furnish the center with tables and chairs. We also need shelves for all of the books that came in the sea container.

We would like to be able to paint the interior as the Lord provides. The need is great as we plan for the grand opening of the Center on January 15th, 2016

Anticipating 100 pastors for this first year of training, please pray with us for pastors and teachers to come alongside Pastor Joseph and share in the Kingdom work of training these pastors. Perhaps you have a week that you would like to spend teaching at the WOT Center in Maai Mahiu. [Contact Pastor Joseph](#)

Kenya Ambassador for CRI  
National Director for  
PIEI - WOT - KENYA

After my graduation on May 2<sup>nd</sup> 2015, it was clear to me that it was time to get back to Kenya. Arriving in Kenya in August, we did not know what to expect but we knew that God had called us to serve His purpose in Kenya and indeed Africa.

From day one, we started receiving invitations to speak in different churches. It was so nice for me to preach in my mother tongue "Kikuyu" again. I missed that. I feel like I am able to drive the point home in Kikuyu better than in any other language.

We are so thankful to God for the way David and Grace have adjusted to their new home. Though David still has lots of memories about U.S.; it has been so encouraging to hear him speak Kikuyu. He now knows how to greet in Kikuyu; "wi mwega". Grace is coming along following into the footsteps of David. It has been nice to see that they are friends though they "fight" a lot.

Our greatest encouragement this year was when a team of 17 missionaries came for a two-week mission's trip to Kenya. That was a huge encouragement especially to

our calling to train Pastors and Christian leaders. Though it was overwhelming to do a VBS with about 800 kids; words cannot explain the love that was shown to those kids. Pastors were encouraged to each have a Study Bible and know that they will be trained for FREE. Less fortunate families were blessed to have a meal at least for a day. Hundreds of church members were so happy to receive a Bible. Thanks to Christian Resource International and everyone who donated Bibles and Christian literature to help establish a resource Center in Maai-Mahiu.

We are so thankful to God that we came back. Everyday has been a confirmation that the Lord wanted us back. Speaking in youth camps and seeing hundreds come to Christ has been very humbling to us. It is such an honor and privilege to serve the Lord in this way. Your prayers and support towards this ministry is going a long way to fulfill the Great Commission. We are excited about.
